

ESCORTS AT CONVENTION . . . Mrs. Rowena Airy, of Lomita Royal Neighbors Lodge, and Mrs. Sophia Duncan, right, past oracle of the Torrance Camp, have been chosen to serve as escorts at the National Royal Neighbor convention at the Ambassador beginning June 23. The two escorts will dress as "senoritas" in keeping with the "Early California" convention theme.

Two Local Royal Neighbors To Serve at State Confab

Mrs. Rowena Airy, a Past Oracle of Del Nora Camp of Royal Neighbors of the Lomita Camp and Mrs. Sophia Duncan, a past Oracle of the Torrance Camp have been chosen as escorts for the coming National Convention of Royal Neighbors to be held in the Ambassador Hotel in Los Angeles the week of June 23.

This is the first time in the history of the organization that the Supreme Convention has been held in California.

It is a special honor to have two of the Southern California Camps honored by having two of the members act as escorts to the National Camp officers. On Monday morning the convention will get under way with the escorting of the officers and this is an open meeting and the interested public is invited to attend.

Both of the ladies chosen as escorts are hard workers in the Camps. Mrs. Airy is a Past Oracle of her camp and is now the president of the Los Angeles-Orange County District Assn. and Mrs. Duncan is a Past Oracle and has been very active in the fancy drills exhibited by the Torrance Camp members.

The theme of the convention as planned by the state supervisor, Mrs. Christina Hamil, with Mrs. Mary Louise Cohen as co-chairman is early California and of a Spanish origin. The fancy dress worn by the escorts are to be of the Spanish senorita design and will be very colorful. Mrs. Airy will wear a red satin gown trimmed in black lace with a black mantilla and

comb and black pumps, while Mrs. Duncan's gown will be of old rose taffeta trimmed in black with black accessories.

The three delegates from this area are: Mrs. Euphemia Dean, a Past Oracle of the Wilmington Star Camp; Mrs. Dorothy Montgomery a Past Oracle of the Redondo Beach Camp and Mrs. Olive Oberhouser, a Past Oracle of the Obie Camp of Los Angeles. Miss Biscuit will give the opening address.

Other activities will follow and the main part of the business of the camp will come later in the week.

Protein Foods

Meats for outdoor cooking are in demand. That demand pushes the most popular steaks into high bracket prices. This means you'll find the economy minded shopper selecting other cuts than sirloin, porterhouse, T-bone and club. She'll cast her eye over rib and chuck steaks. These steaks from Choice Graded beef can be satisfactorily broiled.

To broil these steaks they need a little pre-treatment. Let them stand in the barbecue sauce or use a tenderizer—or both. Some cooks use an oil and acid mixture instead of a barbecue sauce. Some prefer a French dressing, and it is a simple marinade to use. Allow the steaks to marinate over

night or several hours in the refrigerator. Use a meat tenderizer according to the manufacturer's directions.

Have chuck steak cut about a medium thickness, and get the steak from the "first" cuts—those are the cuts next in line after the broiling steaks. These chuck cuts contain more of the tender muscles than the following cuts.

Remember that ground beef is a delicious barbecued meat. Many people prefer it because it is always tender and easy to eat. Frankfurters are fun for oldsters and youngsters. Chickens are a "natural" for a barbecue. And if you haven't barbecued fish you've missed a treat.

On The Produce Stands

AVOCADOS, CORN, CUCUMBERS, POTATOES—Long Whites, LETTUCE, APPLES—White Astrachan, CANTALOUPE WATERMELONS, PEACHES, FIGS, STRAWBERRIES.

A SURPRISING NEW GRAPE. The University has developed and introduced an unusual grape. It is black; it is seedless; it is delicious. It is now being harvested and shipped to us from Coachella Valley—the first season it has been in fairly abundant supply. If you came to California from east of the Rockies, you might

think these large bunches of deep, blue-black grapes are Concord's. They are a little similar in appearance, but very different in other respects. Beauty Seedless grapes, as indicated, are seedless; in fact they are the only black seedless grapes. They have a robust flavor—delicious for eating out of hand; perfect for pies; delightful stirred into muffins.

Watch for Beauty Seedless. They will not be in heavy supply this year, but be sure to get your share. The desert's grape season is short.

Check Given To Hospital

Mrs. Kieth Donelson, immediate past president, and Mrs. Austin Surratt, president, of the Redondo Beach Dianas, Federated Junior Women's Club presented a check for \$945 to Harbor General Hospital Monday morning, June 16. Accepting the check was A. L. Thomas, director of Harbor General Hospital.

Mrs. Ralph Riche, who has been in charge of the club's philanthropy program, stated that the club gave \$320 in addition to the \$625, previously allocated, so that the hospital can purchase a much needed cardiopneumometer. The cardiopneumometer is an instrument that enables doctors to see and hear heart action during surgery.

"Today, you have made a deposit in heaven," said Mrs. Marguerite Broen McAllister, coordinator of volunteers for Harbor General Hospital. Mrs. McAllister has supervised the Dianas in their many projects to aid the hospital.

Church Guild Has Meeting

Wesleyan Service Guild, auxiliary of Women's Christian Service, sponsored by the Methodist Church, held its regular monthly dinner meeting, Tuesday evening, June 10, at the church, 1551 El Prado.

The program, which followed in the Friendship Room, began with Edward Hutchison singing a solo, "Jesus, Joy of Man Desiring." He was accompanied at the piano by Rev. Don Shelby.

After a short business meeting, Mrs. Ethel Hutchison outlined the planned programs and activities for the coming year.

Mrs. Dorothy Goodale, who was in charge of devotions gave an interesting account of the changing pattern in the "March of Missions" and, also, a brief history of some pioneer missionaries.

Mrs. Doris Tanner requested that all members who plan to attend Guild Weendend Training Conference, at Redlands University, Aug. 2-3, call the secretary, Mrs. Leona Eads, 2232 W. 238th St., Torrance, for reservations.

The service was closed with singing of several hymns and a prayer.

Special guests attending the dinner included Rev. and Mrs. John Taylor, and Mrs. Mary Alice McCool, and Mrs. John Tanner. Those from out-of-town were Miss Dagmar Frederickson of Archer, Iowa, and Miss Ella Frederickson, of Newell, Iowa.

Fuchsia Unit Hears Talk

Lew Waterman of the Kellogg Co. was the guest speaker at the meeting of the North Torrance Fuchsia Society held at McMaster Hall.

Mr. Waterman gave an interesting illustrated talk on soil in California and actions and habits of plant root seeking food. He also presented the club with a supply of his company's products.

Miss Sonja Pesola, who was selected queen of the branch, was presented with a trophy. Miss Pesola and Miss Janice Smith, last year's queen, will serve as hostesses at the Fuchsia Show at the Long Beach auditorium on June 29.

At the July meeting, Mrs. Elsa Stone will be presented with a special plant. Mrs. Stone has not missed a meeting in five years.

Election of officers will also be held at the July meeting at which there will be a special plant table of all patented and new variety fuchsias.

Any resident interested in gardening is invited to attend.
